

HELLO HELLO to Our AMAZING One-of-A-Kind WEA *Bowl* FRIENDS!!!

Can you believe it?? *WEA Bowl* 2024 is rolling in! Please mark **Friday, April 19** on your calendar now and get ready to rock the night away. The action rolls from 7 to 10:30 pm at the AMF Bowling Center, 701 Southwick Drive, Towson, MD. As always, you can expect a wild and crazy time attempting to bowl the BIG “300” game and hear the ‘ohs’ and ‘ahs’ throughout the center! Please visit our website www.weabalt.org to refresh your memories or, if this is your first game, see what is possible as you watch past bowlers make people laugh as they flex those muscles to log in a big score! Our tradition remains the same: Trophies for 1st, 2nd & 3rd place for both the guys and girls, and duckpin and tenpin bowlers will be awarded. Pay attention to our Silent and Live Auctions, the 50/50, gift card tree and special activities to grab those \$20’s right from your hand! And yes, your favorite eats accompanied by beer and wine and favorite treats!

Let’s not forget why we are having a good time??? Our record to help underserved students via education is stronger than ever. Grades and Test Scores are moving up with Valerie Sandoval, our VP of Academic Advancement and Accountability, and her seasoned helpers recharging the programs in place and laying the groundwork for some exciting programs in Math, which continues to be a number #1 challenge throughout the country. Our Mission is endless, but our workers are tireless in working with students to make sure they can achieve the best academic outcomes God has designed for them.

We applaud you for the investment you have made in children... it is critical and it is paying dividends. God never has enough helpers for His children. YOU are one of His Special people and one of WEA’S amazing friends. We cannot do this most rewarding work for both the children and WEA without your investment. Please sign up now to have a fun-filled evening and, at the same time, help children to stay on an educational path for bright futures.

Your SUPPORT for WEA BOWL 2024 will once again further YOUR investment in the education of the children WEA serves. We have seen progress in children's grades and test scores and are very encouraged by the programs and relationships we have established with the students and their parents. Working together closely with students to set goals and monitor outcomes is creating excitement to achieve better educational performances. This is major progress! Our continued pursuit to tackle obstacles that hinder a child's possible outcome is a win-win for all – the children, the parents, the teachers, WEA and especially YOU for placing your trust in the educational journey of each child in our programs. Your generosity is a major win for the underserved children in Baltimore City. May God pour His blessings on you as you have blessed others. Stay tuned to learn more about programs in progress in 2024!
